SUMMARY

As an experienced HR, I design plans and processes to find and hire new employees. I'm also involved in HR operations and generalist responsibilities. This means I handle a variety of tasks related to human resources, such as managing day-to-day operations and dealing with different aspects of HR work. I evaluate candidates, make rules about how we compare and choose talent, and lead projects to bring in skilled, professional, and diverse individuals who fit well with our company culture.
