ABOUT ME

I am a dedicated professional, my passion lies in advancing my career within the realms of business development, marketing, and sales. I thrive on learning and consistently seek new opportunities to enhance my knowledge. I place great importance on contributing to the success of the team, making me a valuable asset in any professional endeavor.

WORK EXPERIENCE

○ October 2023- Present

Unifynd Technologies

Business Development Executive Associate

- Managed D2C and B2B relationships for a SAAS product, focusing primarily on D2C brands.
- Developed business strategies to attract and engage potential clients.
- Successfully negotiated and closed multiple deals to drive revenue growth.
- Led the onboarding process for multiple clients, ensuring smooth transitions and customer satisfaction.
- Oversaw operations and sales activities across both the US and India regions.
- Collaborated cross-functionally with marketing, product development, and customer support teams to maintain consistent messaging and enhance customer experience.
- Implemented Cold-Email Campaigns targeted at both US and Indian markets.
- Advised clients on integrating loyalty modules into their existing systems, aligning solutions with their business strategies.
- Supported D2C and B2B brands by providing tailored solutions and support.
- Utilized cold calling, email campaigns, and networking to identify and pursue leads effectively.
- Managed client relationships throughout the entire sales cycle, ensuring ongoing support and satisfaction.
- Conducted market research, competitor analysis, and identified new business opportunities.
- Played a pivotal role in developing and executing sales strategies to achieve company objectives and revenue targets.
- Tracked key sales metrics such as lead conversion rates, pipeline growth, and revenue forecasts to optimize strategies.
- Stayed informed about industry trends and adjusted sales approaches to maintain competitiveness.
