

Vasundhara Gokarn

Email: vasundhara.gokarn@gmail.com

Phone: +91 9969 446 332

Address: B-602, Panchali CHS, N.L. Complex, Anand Nagar, Dahisar (E),
Mumbai – 400068, Maharashtra, India

Date of Birth: 16th August, 1990

LinkedIn : <https://www.linkedin.com/in/vasundhara-gokarn-15594417>

Education

Degree	Institute / University	Major/ Specialization	Year of Passing	Percentage/CGPA
Master of Technology (M.Tech)	Mukesh Patel School of Technology Management and Engineering, SVKM's Narsee Monjee Institute of Management Studies (NMIMS), Mumbai	Electronics and Telecommunication	2017	3.87/4
Bachelor of Engineering (B.E.)	KC College of Engineering Management Studies and Research, University of Mumbai	Electronics and Telecommunication	2012	70.83%

Experience

MAY 2019 - PRESENT

Support Engineer/ Ericsson India Global Services Pvt. Ltd.

Working on Ericsson Devices (SSR, EPG etc.) as an IP TAC Support Engineer. We provide solution and deep packet analysis for Ericsson based devices. We work on the issues related to Hardware and Software of the Networking devices as well as issues related to Switching and Routing (Protocols like OSPF, BGP, MPLS, VRRP). Also, we work on issues related to BNG (Broadband Network Gateway).

MAY 2018 –MAY 2019

Network Engineer/ Microscan Infocommtech Pvt. Ltd.

Provisioning, designing topologies, installing, configuring, monitoring, and managing of Network entities, ILL, ILD and NLD circuits. Designed and implemented LAN and WAN Circuits and also provide support for the same. Implementation and Configuration over Cisco, Huawei, Juniper switches and routers. Configuring management of network entities and also upgrade hardware/software of Network entities to avoid bugs. Root cause analysis of high severity failures. Monitoring Link using WhatsUp-gold, NetXMS, Cacti, One control, Microllc, Accedian and Libre NMS. Configuring Mikrotik routers and design suggestion for LCO's LAN network. Root cause analysis of high severity failures. Configuring troubleshooting issues related to Routing and Switching. Configuration and troubleshooting of GMPLS, MPLS-TP and Dynamic MPLS over CIENA and HUAWEI devices respectively.

NOV 2012 – DEC 2014

Assistant System Analyst / C-Edge Technologies Ltd.

Project: BANC24 **Nature of Work:** Management of Windows Servers 2003, 2008 for various clients. Maintenance of the Front- End Application and Application Database (Oracle 9i). Handling RTF's Issues and Management of Secondary connectivity and Management of flow at the vendor end of SMS initiated by the CBS application and also maintenance of log for the billing at vendor end and also customer end.

Internship

JUN 2016 - APR 2017

Project Intern/ Centre for Development of Advanced Computing (CDAC), Mumbai

(Completed my M.Tech final year thesis) Designed and implemented an anomaly detection system for Cyber Physical system which uses behavior analysis. The system is implemented and tested for Power Grid using MATLAB.

Paper Publication

- V. Gokarn, V. Kulkarni and P. Singh, "Enhancing cyber physical system security via anomaly detection using behaviour analysis," *2017 International Conference on Wireless Communications, Signal Processing and Networking (WiSPNET)*, Chennai, 2017, pp. 944-948.

- V. Gokarn, V. Kulkarni and Z. Saquib, "Enhancing control system security of power grid using anomaly detection and behaviour analysis," *2017 International Conference on Advances in Computing, Communications and Informatics (ICACCI)*, Udupi, 2017, pp. 1249-1255.
-

Skills

Networking: WAN and LAN technologies, IGP's (RIP, OSPF and EIGRP), BGP, RSTP, ERPS, HSRP, VRRP, GLBP, Q-in-Q tunneling, VLANs, EtherChannel (LACP, PAgP), Dynamic MPLS, MPLS-TP, LDP VPLS, VTP, IPv6 theoretical

Languages: Familiar with Core Java, C, C++, Python

Operating Systems: Windows XP/7/8 and Windows Server 2003/2008/2012, Familiar with Linux.

Software Tools: MATLAB, PCB Design, IE3D, NetSim, OPNET, AUTOCAD

Database: Familiar with MySQL and Oracle 9i

Device Hands-on: Routers: Cisco (ASR-1001, ASR-1002, 1948, 1848), Huawei (NE-40, NE-40-x8), Mikrotik- (1036, 1009, 1100). **L3 Switch:** Cisco Nexus 5k, Juniper- (EX-4600), Ciena- (5160, 3110, 5642), Huawei (6720-54C, 6720-30C) **L2 Switches:** SMC- Tiger SMC6152L2 switches, Edgecore- (ECS 4120, 2110, 2100), Cisco- (SF300, SG300), Huawei- (6810, 5850).

Thesis/Projects

Thesis: Enhancing Control System Security via Anomaly Detection Using Behaviour Analysis.
(JULY 2016 - MAY 2017)

Description: Proposed and Designed a system which uses Kalman Filter and k- Nearest Neighbor algorithm for detection of anomalies in a Cyber Physical System. It was implemented using MATLAB. It was also implemented for anomaly detection in Power grid.

Projects:

Software implementation of 'Analysis of Routing protocols of VoIP VPN over MPLS networks'
(JANUARY 2016 - MAY 2016)

Description: Implemented a network using OPNET modeler and checked the performance of routing protocol in MPLS network.

Hand Gestures to Voice

(JULY 2011 - MAY 2012)

Description: The basic objective of the project was to develop a portable device for the people who suffer from impairment, providing them an aid to communicate easily.

Achievements

Professional:

- Participated in Workshop on **Ethical Hacking** held at S-Link Cyber Solutions, Pune in April 2018
- Completed the **Cisco Networking Academy® Introduction to Cybersecurity** course in November 2017.
- Completed the **Foundation Program** under the aegis of the **Infosys Campus Connect Program** in 2016
- Obtained **Cisco Certified Network Associate – Routing and Switching (CCNA)** certificate in August 2016
- Completed a Training Course with **MTNL** on Certificate in Converged Communication in June 2011

Academic/ Cultural:

- Participated in the **Robotics L1-L2 Workshop** held at K.C. College of Engineering in Feb 2009
- Awarded **Certificate of Merit** for scoring highest in Technical drawing in Std X (ICSE) in June 2006 by Lilavatibai Podar High School-ICSE
- Secured **First Grade** in **Mathematics Prarambhik** examination conducted by **Maratha Mandir Maharashtra Dnyanpeeth** held in March 1999
- Passed **MadhyamaPurna** examination conducted by **Akhil Bharatiya Gandharva Mahavidyalaya** in Bharat Nattyam secured **First Class** held in November 2005
