MRUNALINI MODAK

COUNSELING PSYCHOLOGIST | PSYCHOTHERAPIST

PROFILE

Compassionate and driven Counseling Psychology postgraduate with a deep commitment to mental health advocacy and evidence-based therapeutic practices. A research enthusiast, with extensive hands-on experience through internships across diverse populations—including children with autism, women from marginalized communities, and youth in educational settings. Adept at workshop facilitation, community mental health planning, and therapeutic observation across various modalities. Strong academic foundation complemented by a Professional Diploma in Psychotherapies, and a growing portfolio of psychoeducational and research-based contributions.

WORK EXPERIENCE

Tribal Mensa Nurturing Program

MAY 2025 - FEB 2026

Program Development & Giftedness Program Coordinator

- Program development for giftedness identification, nurturing, and empowerment among underprivileged tribal girls
- Designed counseling, economic empowerment, mentorship, and sustainability models
- Coordinated career planning, financial support, and cross-cultural rapport building initiatives

INTERNSHIPS EXPERIENCE

Eklavya Foundation

JAN - MAR 2025

Content creation

Compiled 38 FAQs from "Mental Disorders & You," designed 10+ infographics and planners for suicide prevention, and led culturally sensitive content creation, and digital resource delivery for mental health awareness among people with mental disorder & caregivers.

Prasanna Autism Centre

JAN - MAR 2025

Assistance in Therapeutic and Neurodevelopmental Settings

Assisted therapists and educators with academic, therapeutic, and recreational interventions; independently managed feeding, behavior, and supervision of children with autism; and provided essential support during events and peak periods.

Aatmabodh Center of Wellbeing & Development

OCT 24 - FEB 25

Community Engagement and Content Strategy Intern

Co-developed inclusive mental health content and engagement materials, including newsletters, scripts, and promotional reels. Facilitated community well-being sessions and contributed to strategic planning through the Community Plan 2025 and internship curriculum design.

Jivhala Foudation

JUL - NOV 2024

Workshop Developer & Facilitator

Developed engaging workshop scripts and promotional materials on mental health, parenting, and digital wellness, while facilitating interactive sessions that promoted emotional well-being, academic success, and personal growth; helped launching Open For All Counseling Centre.
