PROFESSIONAL SUMMARY

Results-driven Sales Coordinator with hands-on SAP and CRM experience across channel partner management, quotation lifecycle execution, pipeline tracking, and order fulfilment. Skilled in cross-functional coordination, data integrity management, and sales performance reporting that supports consistent target achievement. Currently pursuing MMS, seeking to bring strong systems fluency and partner relationship management to a customer-focused sales team.

WORK EXPERIENCE

Sales Coordinator | Konica Minolta Healthcare Pvt. Ltd., Mumbai

Nov 2024 – Nov 2025

- Sales Coordination & Order Management: Managed order processing, order fulfilment, and channel partner coordination in SAP, ensuring on-time delivery and smooth sales operations.
- SAP Pipeline, Quotation & Opportunity Management: Executed quotation lifecycle, pipeline tracking, and opportunity management in SAP, supporting accurate sales forecasting and order conversion.
- CRM & Data Integrity Management: Maintained CRM data accuracy, lead tracking, and data integration across SAP and CRM platforms through regular audits and reconciliation.
- Cross-Functional Sales Support & Reporting: Coordinated with sales, finance, and operations teams on promotional scheme tracking, pricing approvals, and sales performance reporting, resolving channel partner queries and supporting monthly sales target achievement.

EDUCATION

MMS (Master in Management Studies)

2024 – 2026

Sales & Distribution Management, Consumer Behaviour & Buying Patterns, Customer Relationship Management, Strategic Management, Business Communication, Negotiation & Persuasion, Entrepreneurship & Business Development.

Bachelor of Banking & Insurance (BBI), Mumbai University

2020 – 2024

Corporate Communication, Financial Markets & Products, Business Law & Compliance, Accounting & Financial Reporting, Customer Relationship Management, Sales of Insurance & Banking Products, Marketing of Financial Services, Customer Retention Strategies.

PROJECTS

Customer Relationship Management Study – ICICI Bank

- Conducted an in-depth analysis of ICICI Bank's CRM practices, examining customer engagement strategies, lead management pipelines, and service efficiency to propose actionable improvements for client retention and satisfaction.
- Evaluated CRM data management processes and customer follow-up workflows, identifying gaps and recommending solutions to improve sales support operations and response time.

VCET Ideathon 1.0 – Sleep Awareness Start-up (Million Dollar Sleep)

- Led a startup project from ideation to pitch, developing a go-to-market strategy, business model, pricing structure, and marketing materials for a B2C product.
- Coordinated cross-functional team collaboration, managed project timelines, and presented to a panel — recognised for innovative thinking and strategic approach.
